Dear Members,

APSC / JCS 2020 Kyoto has been postponed due to the spread of the covid-19 infection. Fortunately, however the above schedule has secured both the Kyoto International Conference Center and the Grand Prince Hotel Kyoto.

We would like to hold the program as originally planned as possible. Thankfully, we have received the positive response about their availability to attend from many of invited speakers from overseas.

At present, we are endured the contagion of the covid-19 infection, however we hope that once the worst is over, APSC / JCS 2020 Kyoto will be very exciting together with the Tokyo Olympics.

We very much hope that many of you will come together to APSC2020!

Sincerely yours,

Takashi Akasaka, M.D., Ph.D.
